New York City

Dear Sir:

Dr. R.V.D. Magoffin has requested that we send you information regarding membership in this Society. There are two classes of members, Fellows limited in number to 150 and Associates from whom the Fellows are elected, not limited in number. The latter pay $5.00 annually for which they receive our publications and the right to subscribe to any medals issued by our Society. Election to fellowship takes place when there is a vacancy. Any one having an interest in numismatics or desiring to support the purposes for which our institution stands is eligible. We should be very glad to welcome you as an Associate member.

Very truly yours,

Secretary
